

## Armstrong Lacrosse Away Games 2020 Sandwich Program

Offering our players an optional reliable meal option on away game days and supporting a local business that supports our team are priorities for the Booster Club. For the first year, the Booster Club is collaborating with Davanni's of Golden Valley for an Away Game Sandwich Program for Varsity/JV. Prep games are still being determined. Once the prep game schedule is confirmed will offer the same or similar for the away games in conjunction with the Varsity/JV games.

This optional Away Game Sandwich Program costs \$50 for the 6 away games this season.
