### **Coaches Report / Ian Murphy**

- Coaches had meeting on upcoming season-how to structure pods-players are supposed to stick to one sports team during the season (might influence our numbers for winter league)
- Heard from football coaches how they ran practices, trying to keep everyone pretty separated, all kids had neck gators and anytime kids came into huddles all kids put them on to help protect each other-maybe we require they get a neck gator, looking at 24/7 sports to see if they can get one made
- Kim suggested to check with football coaches to see where they ordered.
- Might have to limit rosters, keep Varsity together, keep JV to get (will check into buses)
- Larry told us that he would post our apparel website and our fundraisers on the Armstrong site.
